This scholarship is established to assist pre-medical students of Government College University of Faisalabad. The first distribution of this scholarship will be in 2016. These scholarships are part of the Human Development Foundation's THANKS scholarships. Each awardee will receive financial assistance for two years. Each year a new recipient will be named & will receive the same opportunity, truly making this is a gift that keeps on giving! Ideally, these students will embody many of Mansur's best qualities including honesty, humility, love of family, and a strong desire to help others.

We miss you!
With love and respect
